

5th International Forum in Paediatric and Adult Congenital Cardiology and Cardiac Surgery

24 - 25 April 2020 "N. Louros" Conference Center | MITERA HOSPITAL | Athens | Greece

SCIENTIFIC PROGRAM

Friday 24 April 2020

14:30 – 15:00	Registrations
15:00 – 15:15	Scientific Opening - Greetings A. Kartapanis, P. Vardas
15:15 – 15:30	Strategic planning of the Hellenic Cardiology Society for Congenital Heart Disease patients in Greece I. Kanakakis
15:30 – 15:45	Future plans of the Hellenic Paediatric Cardiology Society on the management of Children and Adults with Congenital Heart Disease G. Kalavrouziotis

Session A: Fetal Cardiology

	Chairs: K. Sfakianoudis , E. Dedoulis, S. Koulouri, G. Kallipolitis
15:45 – 16:00	Cardiac detection rate in the 1st trimester: Diagnostic accuracy on the detection rate of fetal cardiac abnormalities E. Tsapaki
16:00 – 16:15	Genetic syndromes and congenital heart disease: Prenatal genetic counselling E. Frysira
16:15 – 16:30	Heart failure in the fetus - diagnostic assessment and management A. Komnou
16:30 – 16:45	What is troubling the Fetal Specialist during the heart examination D. Sarikostas
16:45 – 17:00	Discussion: V. Kellaris, P. Benardis, Ch. Grigoriadis, G. Konstantopoulou, K. Papadopoulou - Legbelou
17:00 – 17:30	Coffee break

Session B : Future Trends in Fetal Cardiology

	Chairs: G. Ioannidis, P. Livanos, G. Farmakidis
17:30 – 18:00	New developments in fetal Echo and fetal cardiac MRI K. Pushparajah, UK
18:00 – 18:15	Prenatal detection of right aortic arch: Associations and postnatal outcomes L. Mantagou
18:15 – 18:30	Discussion: A. Vlachos, I. Germanakis, C. Chiniadis, C. Trapali

5th International Forum in Paediatric and Adult Congenital Cardiology and Cardiac Surgery

24 - 25 April 2020 "N. Louros" Conference Center | MITERA HOSPITAL | Athens | Greece

SCIENTIFIC PROGRAM

Saturday 25 April 2020

Session C: Pregnancy and Heart Disease

- Chairs:** D. Avramidis, D. Daskalopoulos, P. Ntavlouros, K. Vasiliadis
- 09:00 – 09:15 **Pregnancy with shunt lesions with or without pulmonary hypertension**
D. Ntiloudi
- 09:15 – 09:30 **Pregnancy with valvar stenosis**
V. Michalitsi
- 09:30 – 09:45 **Marfan Syndrome and Pregnancy: Short - and Long - Term Risks**
M. Drakopoulou
- 09:45 – 10:00 **Approach to Arrhythmia Management in Pregnancy**
E. Rosenthal
- 10:00 – 10:15 **The 2018 ESC Guidelines on Pregnancy - what is New**
A. Frogoudaki
- 10:15 – 10:30 **Discussion: L. Papadopoulos, A. Pipilis, X. Ntellos**
- 10:30 – 10:45 **Coffee break**

Session D: Management of dilated Aortas

- Chairs:** N. Giannopoulos, A. Kourtesis, S. Pattakos
- 10:45 – 11:00 **Associated with congenital heart disease surgery**
Sp. Loggos
- 11:00 – 11:15 **Associated with vasculitis**
St. Brilli
- 11:15 – 11:30 **Associated with aortic valve disease**
D. Iliopoulos
- 11:30 – 11:45 **Personalized external aortic root support (Pears) and Ross / Pears operation**
C. Austin
- 11:45 – 12:00 **Discussion: I. Chlorogiannis, M. Kalachanis, K. Spargias**
- 12:00 – 12:40 **Lunch break**

Session E: Neonatal Cardiac disease

- 12:40 – 12:45 **Neonatal Session Introduction - Pr. David Anderson**
Chairs: D. Anderson, A. Giannopoulos, S. Loukopoulou, M. Boutsikou
- 12:45 – 13:00 **What's new in the management of Critical aortic stenosis: transcatheter vs surgical management**
K. Mylonas
- 13:00 – 13:15 **Critical pulmonary stenosis with small RV**
S. Apostopoloulou
- 13:15 – 13:30 **Complex transcatheter neonatal interventions**
A. Tzifa
- 13:30 – 13:45 **Transcatheter closure of pda in pre term infants**
A. Fraisse
- 13:45 – 14:00 **Brain protection and neuro monitoring in neonatal aortic arch surgery**
F. Mitropoulos
- 14:00 – 14:15 **Discussion: N. Eleftherakis, A. Keivanidou, G. Papadopoulos, G. Tsaousis, M. Liidakis**

5th International Forum in Paediatric and Adult Congenital Cardiology and Cardiac Surgery

24 - 25 April 2020 "N. Louros" Conference Center | MITERA HOSPITAL | Athens | Greece

SCIENTIFIC PROGRAM

Session F: ECMO

	Chairs: D. Bobos, S. Tzeis, A. Rombola
14:15 – 14:30	A - V ECMO in congenital heart disease E. Lazaros
14:30 – 14:45	V - V ECMO for respiratory disease L. Paphitou
14:45 – 15:00	Cannulation techniques and surgical complications D. Karangelis
15:00 – 15:15	Procedures that can be performed while on ECMO D. Taliotis
15:15 – 15:30	Discussion: M. Aroni, A. Pitsis, G. Kourelis
15:30 – 15:45	Coffee break

Session G: Cardiac ICU and Cardiac Anaesthesia

	Chairs: A. Karabinis, Th. Kousi, X. Paschalis
15:45 – 16:00	Peri - operative management in patients with mixed shunt lesions K. Patris
16:00 – 16:15	Post - cardiac bypass inflammation syndrome Ch. Apostolidis
16:15 – 16:30	Postoperative bleeding - management in the Paediatric ICU A. Dimolitsa
16:30 – 16:45	Emerging concept: Congenital Heart Disease in refugee camps A. Seretis / G. Grigoriadou
16:45 – 17:00	Discussion: F. Kakava, G. Kourelis, P. Sfiridis
17:00	Closing Remarks P. Vardas
